

**Middle Mosel: The world's finest Riesling vineyards -
2000 years of success (without a motorway on top)**

Address

Name

Yours faithfully,

I urge the German government to reconsider its plans and conserve the immense cultural value of this paramount heritage site.

The bridge and highway will interfere with the cherished Rieslings of the Mittelmosel, which are unique, world-renowned and irreplaceable.

petition Nr. 10681 at the Bundestag.

I wish to call for an immediate stop to the building of the B50neu and the Hochmosel-übergang by adding my name to

To whom it may concern,
